

Water Soluble Fertilizers

Professional All Peters' Rounder

Peters' Professional All Rounder is a 100% water-soluble high-quality fertilizer which is manufactured by ICL, Netherland. Peters' Professional All Rounder Contains NPK, magnesium and trace elements. This fertilizer gives Fast plant response after application by absorbing nutrients through foliar parts very efficiently and can be applied in any growth stage. This fertilizer contains a very special chelate formular named M-77, which is identical to the manufacturing company. Small granules are dissolved and 100% water soluble. Developed for peat-based cultures (pot plants, bedding plants and container nursery stock).
