

## Water Soluble Fertilizers

### Grow More Nitro Plus (30.10.10 + TE)

Grow More Nitro Plus is a 100% water-soluble high-quality fertilizer which is manufactured by Grow More Inc. USA. The high Nitrogen mix in this fertilizer can be applied to the plant through both foliar parts and roots. Grow More Nitro Plus enhances healthiness of plants, accelerates the growth, and enhances the identical green color of plants by increasing chlorophyll concentration. This will increase the expected yield.

### Directions to apply

| Cultivation                      | Time to apply     | Amount per plant  |                 |                           |
|----------------------------------|-------------------|-------------------|-----------------|---------------------------|
|                                  |                   | Initial stage     | Growth stage    | Fruiting/ flowering stage |
| Protected domestic cultivations  | Once in 2 days    | 0.5-1 g per plant | 2-3 g per plant |                           |
| Orchids                          | Once in 2 days    | 1-2g/L            | 2-3g/L          |                           |
| Floriculture                     | Once a week       | 1-2g/L            | 2-3g/L          |                           |
| Ornamental plants                | Once a week       | 1-2g/L            | 2-3g/L          | 3-5g/L                    |
| Seedlings and nurseries          | Once in 2 days    | 0.5-1g/L          | 1-2g/L          |                           |
| Betel, Tea, green leaves         | Once a week       | 1-2g/L            | 2-3g/L          | 3-5g/L                    |
| Potted plants, vegetables, chili | Once a week       | 1-2g/L            | 2-3g/L          |                           |
| Fruits                           | Once in 7-10 days | 1-2g/L            | 4-5g/L          |                           |

### Nutrient content

|  |   |         |
|--|---|---------|
| Nitrogen (N)                               | - | 30%     |
| Ammonical Nitrogen                         | - | 2%      |
| Nitrate Nitrogen                           | - | 2.8%    |
| Urea Nitrogen                              | - | 25.2%   |
| Phosphors (P <sub>2</sub> O <sub>5</sub> ) | - | 10%     |
| Potassium (K <sub>2</sub> O)               | - | 10%     |
| Boron (B)                                  | - | 0.02%   |
| Copper (Cu)                                | - | 0.05%   |
| Iron (Fe)                                  | - | 0.1%    |
| Manganese (Mn)                             | - | 0.05%   |
| Molybdenum (Mo)                            | - | 0.0005% |
| Zinc (Zn)                                  | - | 0.05%   |
