

Water Soluble Fertilizers

Albert's Solution

Albert's Solution is a quality product of Grow More Inc. of USA. This balanced fertilizer is 100% water soluble, and it contains most of the macro and micronutrients soluble, needed for better plant growth. Albert's Solution can be used in Poly tunnel, Hydroponic greenhouse cultivations. This product can be applied as a foliar spray for vegetables, fruits, flowering plants, ornamental plants, and other field crops successfully. This enhances quantity of the harvest, maintains even harvest, enhances color of crops, and certifies a postharvest durability. Can be applied in any growth phase of the crop growth. Ideal for drip and sprinkler irrigation systems.
